The Scope Of Work Includes construction of the New Stiles Point Elementary School located at 883 Mikell Drive, Charleston, South Carolina.

The two-story, fully sprinkled, 77,000 square foot building will be constructed predominantly of structural steel with metal stud infill veneered with brick & with limited masonry. Steel joists, metal deck, & other miscellaneous pieces comprise the remainder of the steel components. One roof system comprises the roof construction utilizing a modified bituminous sheet installation. Air-to-air heat pump systems are used for the majority of the spaces with a separate make-up air system providing outside air. The package also includes an elevator, basic electrical services, electrical life safety systems, technology items, & cable trays.

A Separate Site Work Contract has been issued previously, is currently in progress, &

includes, but is not limited to, clearing, excavating, utilities, grading, paving, & geodrain installation. Although the majority of the site work will be completed under the separate contract, some site items will be included in this package & includes, but is not limited to, excavating, grading, paving base course refurbishment, asphalt paving, striping, sidewalks, & other construction.

A Separate Steel Contract Has Also Been Issued & includes the fabrication & installation of the majority of the structural steel components including, but not limited to, structural members, joists, metal decking, miscellaneous structural items, HVAC supports, lintels, & anchor bolts. The contractor for the general building package will be responsible for all rebar, the steel shown on architectural, mechanical, & other non-structural drawings, & installation of loose lintels & final paintings.

Finishes Will Include, but are not limited to, VCT, terrazzo, ceramic & quarry tile, rubberized flooring, carpet, acoustical ceilings, paint, casework, marker/tack-boards, & kitchen equipment.

Bidding Documents Will Be Available for inspection at the offices of the architect, program manager, & the plan rooms of Associated General Contractors, McGraw Hill Dodge, & Planwell Enterprise website (www.planwell.com). Plans & specifications are to be picked up from A&E Digital Copy Center, 517 King Street, Charleston, SC 29401, (843) 853-5066. You must place your order via A&E Digital Copy Center's website www.anedigital.com. There will be a \$250.00 deposit on each additional set of plans & specifications. Subcontractors may also receive plans & specifications with a \$250.00 refundable deposit, to be requested directly from A&E Digital Copy Center. Partial plans can be requested, but expenses will be the responsibility of the subcontractor. Plan deposits, if applicable, will be returned to pre-qualified prime contractors & subcontractors provided documents are returned to the program managers no later than 10 days after the opening of bids in clean usable condition.

Bids Will Be Binding for a period of sixty (60) calendar days from the date bids are opened.

All Bids Are To Be Accompanied by a bid bond or certified check of not less than five percent (5%) of the base bid. Bid securities of the three low bidders will be retained until contract award & execution. The successful bidder will be required to furnish performance bond & labor & materials bond in the amount of one hundred percent (100%) of the contract amount.

Bidder's Attention Is Directed to the requirements of the construction schedule which is a part of the bidding documents, &

to the liquidated damages conditions outlined in the Supplementary Conditions.

Bids Are To Be Submitted on the bid form provided, enclosed in a sealed opaque envelope bearing the name & address of the bidder, contractor's license number, identification of contract being bid & name of project. All bids must comply with the laws of the State of South Carolina.
